

# "the Misfit Bible" As per Amber's Instructions

this is:

Version 1.1

## Chapter One

- 1:within the best of our abilities we shall not steal. unless under the following situations; 1. to save our life, 2. to save someone else's life.
- 2:only the following things may be taken: food, water, shelter, clothing, medical supplies and transport.
- 3:always return the non-perishable items, and if possible leave a note to repay the things you took.
- 4:never steal music, always buy and pay for your tunes. WE ARE watching you!!!!
- 5:never forget the war against three gods who stole what was not theirs.

## Chapter Two

- 1:keep friends that you are close to.
- 2:always rotate between a group of ten with groups of five.
- 3:always check with your friends on wednesdays and fridays; if they don't show up you and your friends have to go check it out.
- 4:help your friends to grow, and keep them interested in good music and books that aren't too dumb for our intelligence levels.
- 5:always treat the fems with respect and care, they are a part of it too!
- 6:remember that we don't just ask if we bite, no we really do, but if i bit you would you bite me back?

## Chapter Three

- 1:there is no excuse for boredom, not today, nor tomorrow, not next week. find something to do.
- 2:being late is good, as long as someone's life isn't on the line for your being on time.
- 3:among misfits we don't have need for names and rarely if ever we do please pick one name that you will go by.
- 4:those who piss us off, treat kindly get their phone number and first and last name. when the world goes to hell make a collect phone call.

## Chapter Four

- 1:fems are known as: "the anarchists" and must be treated properly with respect.
- 2:fems that are in the circle and carry single edged knife are looking for a boy friend.
- 3:fems that are in a relationship will carry two knives, or a double edged blade, or no knife.
- 4:fems that have boyfriends do so off the record, will explain some day.
- 5:fems aren't to be caught drinking, however telling on them gets you in big trouble.

## Chapter Five

- 1:there are many levels to the misfit non-profit organization.
- 2:some levels are left empty until amber and others can set them in place.
- 3:levels that are set are, zig zag, orphans, the parent trap, the fiend club, death squad, and where eagles dare.

## Chapter Six

- 1:misfits do believe in smoking cigarettes.
- 2:misfits do not believe in using drugs for recreation or otherwise to expand ones mind.
- 3:misfits are no friend of psi and the profession.
- 4:drinking for some may be normal, others may choose to not drink at all or rarely.
- 5:misfits never go to AA or other support groups. we support each other if help is wanted.

## Chapter Seven

- 1:the misfits are not a religion, church, moral group, or pack of thieves.
- 2:it's not an eye for any eye or a tooth for a tooth. will explain later.
- 3:we forgive each other, not because we have to, because we would tear ourselves apart long before it's over if we didn't.
- 4:those of us who can make way to fund the misfits will do so, and share with all who are members.
- 5:never steal from a misfit. if you borrow ask first or leave a note. always!!!!
